**We have set up a Fun Time for you in Bunbury. Please note racing starts at 2pm.**

Your goal will be to beat your fastest time you have recorded this season at Champion Lakes over 200 meters.

Your best time from three attempts in each category will be used.

See examples below how you can win and not necessarily be fastest boat across the line.

### Example 1 Open

Team A	10s	Target	1:05:55	Actual	1:04:45	Improvement	0:01:10	Placing	2nd
Team B	10s	Target	1:11:11	Actual	1:07:34	Improvement	0:03:37	Placing	1st
Team C	10s	Target	0:66:66	Actual	0:66:84	No improvement	-0:00:18	Placing	3rd

Team B is the winner because they have beaten their target by the most.

### Example 2 Mixed

Team A	20s	Target	0:53:30	Actual	0:55:05	No Improvement	-0:01:35	Placing	3rd
Team B	20s	Target	0:66:10	Actual	0:66:90	No Improvement	-0:00:80	Placing	2nd
Team C	20s	Target	0:56:24	Actual	0:56:34	No improvement	-0:00:10	Placing	1st

In this example none of the team beat their target so the winner is Team C who finished closest to their time.

*Your team may be interested in entering an event and not have any history. We can fix that.*

*Or you may have a composite team and not have any history. Guess what. We can fix that too.*

**Will have a range of burgers and fresh salads, and other refreshments. Plus Shade Tents and doof doof music.**

*Rules may be modified to accommodate the influx of entries. However the actual Racing will be under the auspices of the IDBF*
